## Silent Movies Debut at the Auditorium

We step back in time during History Week as we view two silent films: *The Kid* (1921) and *Sherlock Jr.* (1924) **at the Auditorium Friday, July 1 at 8 pm.** Come see these classics (set to music) featuring Charlie Chaplin and Buster Keaton, respectively, and get an idea of what films Chautauquans were watching in the 1920s.

Popcorn and sodas will be sold at the Concession Stand during Auditorium events when appropriate.

## Town Hall Meeting

The Chautauqua Board of Directors will host a Town Hall Meeting **Saturday, July 2 at 9 am** in Town Hall. Discussion topics will include but are not limited to a potential addition to our BY-LAWS related to non-member owner inheritance, controlled burn, and an update from the forward planning committee.

## I Scream, You Scream, We All Scream for Ice Cream!

Come enjoy some ice cream at the Chautauqua Girls Club Ice Cream Social in **Town Hall, Saturday, July 2 at 6:30 pm.** For only \$4, the Girls Club members will serve up a dish of vanilla ice cream (and possibly other flavors) with the toppings of your choice. Gather with friends and family at this event prior to

attending the always enjoyable Alton Muny Band's patriotic concert. Many thanks to **Kathy Lottes** for continuing to organize the Girls Club Ice Cream Social.

## History Week Features a Chautauqua Tradition: The Alton Muny Band

Now in its 132nd consecutive season of summer concerts, we welcome back the Alton Muny Band to our

**Auditorium, Saturday, July 2 at 8 pm.** This favorite Chautauqua

July 4th weekend tradition will feature many of our favorite patriotic tunes along with guest soloists performing with the entire band, the traditional kiddie march for children through the auditorium, and smaller ensemble performances. Come enjoy this quality outdoor time with family and friends.

# New Piasa Chautauqua Church Assembly Schedule

9:30 am - Sunday School - Jun 7, 2022 Ages 5-12 in the Chapel and Teens on the Farley's front porch.

10:00 am - Choir Practice, Town Hall

No Adult Bible Study due to the July 4th holiday.

## Wednesday, July 6

7:00 pm - Genesis Program, Town Hall

Have you ever wondered how the Big Bang actually created our world and all the living creatures? Or, is the Bible really an accurate account of history? Is the world really millions of years old? Much of society accepts evolution as fact, but do they really have the science to back it all up? Come to **Town Hall, Wednesday, July 6th, at 7:00 pm** where we will attempt to answer the question: "If The Bible and Science Can Coexist". This presentation will be led by Jeff Charlton and David Stevenson. Light desserts will be served.

## Thursday, July 7

8:00 pm - Vespers, The Lookout. Vespers is a brief service of scripture, prayer, silence and music (recorded). It is a lovely way to quietly and peacefully observe the end of the day.

**Focus on the Family:** Thank you to the **Bob and Cynthia Hormel family** and the **Kim and Jim Gremaud family** for being last week's Focus on the Family. They did a beautiful job greeting and ushering! This Sunday's Focus on the Family will be **The Rathburns! Thank you, Mark, Liz, Jack, and Cooper!**

**Special Collection:** There will be a separate collection container for donations to help our Chautauqua friends, Diana and Keith Stoops, who are going through a very difficult time. Cash and checks are accepted. Checks should be made out to NPCCA with the word "Help" written on the "memo" line. Diana received last week's contributions and was overwhelmed with everyone's generosity. She sends a HUGE thank you to those who donated.

## CHS Invites Chautauquans to Dinky Exhibit

On **Friday, July 8 at 7pm**, the **Chautauqua Historical Society** is hosting a reception for Chautauquans at the new **Dinky** exhibit at the Grafton Visitors Center and Museum. The exhibit features a

full-scale replica of the original railbus that rode the rails between Alton and Grafton from 1939 to 1953. We especially encourage Chautauquans with memories of riding the Dinky to attend the exhibit and share their memories.

## Friday Night at the Movies

After the Dinky exhibit, take in a show at the Auditorium. This **Friday, July 8 at 8 pm**, *The Truman Show* (PG) will be on the Auditorium's big screen! Come see actor Jim Carrey play Truman Burbank, an ordinary man who unknowingly grew up on a television set and stars in his own television show, *The Truman Show*.

## The Lafflers Have Moved

Dear Chautauqua,

We would like to thank those who came to our sun porch for our thrifting sale before our move and helped us declutter our treasures we didn't need to take to our apartment. Happily their donation went as a contribution to LCIA, NPCCA and Historical Society. We plan to enjoy some of the events on the grounds this summer since 3 family members have cottages. Hope to see you all during those visits. Thanks for all the great memories we shared with all.

Your friends, Sue and Joe

## Lagniappe

Lagniappe (New Orleans-speak for 'a little something extra' pronounced lan-yap)

As we slide into the long July 4 th weekend, I thought it might be fun to roll out some good ole American Fun Facts to spark your spirit. So here goes...

\*U.S President, Calvin Coolidge in 1872, was born on the 4th of July.

\*Three U.S. Presidents have died on the 4th -Adams, Jefferson and Monroe. Bonus Fun Fact—On July 4, 1826, Jefferson and Adams, who were once fellow Patriots and then adversaries, died on the same day within five hours of each other.

\*There were only approx. 2.5 million people in the US in 1776; now there are over 330 million.

\*Americans consume approx.. 150 million hot dogs on Independence Day.

\*The 50th star was added to the American flag on July 4, 1960, symbolizing Hawaii's admission as the 50th state.

\*Americans spend over one billion dollars on fireworks every 4th and there are approx.. 1,600 displays around the country. In 2020, it was estimated that approx.. 15,600 people were hospitalized with fireworks related injuries.

\*The One World Trade Center in New York was designed to be 1776 feet tall.

\*Only two men signed the Declaration of Independence on July 4, 1776, John Hancock and Charles Thompson; the rest of the delegates signed in the weeks that followed.

\*And last but not least, July 4th wasn't an official holiday until almost 100 years after the Declaration of Independence was signed.

Have fun and celebrate safely! ~DW
